FOREWORD

We, the annual staff of 1950, bring this yearbook to you as a reminder. We feel it is not so important to bring the happenings to you as to bring the people associated with those happenings. May this annual serve its purpose well.

As editor of this year's RED AND BLACK, I wish to thank any and all people connected with the publication of the annual. In particular, I wish to thank Miss Moore for her many hours devoted to the annual, Miss Mack and Miss Sponsler for their work in advising committees, the faculty for being helpful in relinquishing class time so that pictures could be taken, and the annual staff for their time and effort, without which this yearbook could not have been realized.

—Dick Brenner

DEDICATION . . .

To C. D.

The man who guided us throughout our Junior year. Always ready with a friendly word of advice or a cheery hello. Making classes a little livelier with one of your famous "quips" or "quotations." For the many things you've done for us, for the many things you do for all students who come your way, we, the class of nineteen fifty dedicate this, our annual, to you.

FOSTORIA MEMORIAL STADIUM

At last the dream of all F. H. S. students came true. On Friday, September 30, 1949, the Memorial Stadium, dedicated to the memory of Fostoria boys, many of them former athletes at Fostoria High and St. Wendelin High, who gave their lives for their country during World War II, became a reality—the result of dreams of thousands of Fostorians who long have been interested in high-

school athletics. One of the most modern athletic plants in Ohio, the \$165,000 project was planned over a period of ten years and will remain the home of high-school athletics in Fostoria for many years to come, because the facilities now available can be expanded to care for any eventuality. To the taxpayers who voted to support this project in 1947, we offer our hearty thanks for making our dream a reality.

DEV RICHARDS

SUPERINTENDENT OF SCHOOLS
Herbert L. Ford

TO THE SENIORS:

It is good to know that you Seniors have succeeded in publishing a pictorial yearbook of your school activities.

Your determination, strength of purpose, and fine co-operative attitude displayed in school are all attributes that will continue to be useful to you during your lifetime.

May I wish for every one of you all the satisfactions that come with successful endeavor.

H. L. Ford

PRINCIPAL

Miss Hazel Buckingham
Secretary

TO THE SENIORS:

1950 has been a great class over the years highlighted by brilliant stars of spectacular abilities. Your greatness in individual roles, and you have had more than your share of outstanding talent, has been surpassed only by your willingness to operate as a co-operative unit. Certainly these two, the spectacular contribution of each in his chosen field of usefulness and the co-operative spirit of working together will extend your successes to new problems in places far and near. May I wish you every happiness in the work you find worth doing in the days to come.

O. K. Caldwell

GIRLS' DEANS

Mrs. Wiedemann

To Mrs. Wiedemann — always a friend. Though you're very busy, you still will take time to talk over the problems of "your girls." You get them from junior high and add your touch for perfection in each girl and send them out into the future with a well-rounded personality. Laurels to you for the fine work you give ungrudgingly!

Miss Eger

To you Miss Eger, come all the new young girls from all over town. To you they come for guidance, for conference or for just a friendly chat. To you falls the job of helping these girls over some of the rough places in their young lives. To you, then, we give congratulations for a job well done. A girl couldn't help but be benefited after being associated with a dean like you.

BOYS' DEANS

Mr. Zuber

Although new to the F. H. S. faculty this year, Mr. Zuber, our boys' dean, soon proved that he was capable in every way of maintaining such a position. "Always fair and square" seems to be Mr. Zuber's motto, not only in sports, but in his dealings with our upper class males. Hats off and best wishes for continued success!!

Mr. Bender

The upperclassmen aren't the only ones with problems; the junior high fellows have theirs too. Mr. Bender has been the junior high boys' dean for several years now, and we hope that he will be as successful in counseling in the future as he has been in the past. Keep up the good work, "Coach!"

"Into Life's School"

We've left behind, disdained and lost
Countless years of school.
This world we enter far away,
Is harder than our present day.
Stop? It's not the time.

Teachers, laborers, grocery clerk,
Doctors, carpenters,—life is work.
Quiet classrooms, factory noise,
Tears and smiles, gathering poise.
Out of school life,
Into life's school.

This year you first began to break away from junior high school and became active in high-school work by being represented in the one-act play contest. Not only that, but you began to gain recognition in athletics, and music. Your next three years will be filled with many more opportunities to become well known. Keep working as you have already begun and you, too, will have many fond memories for your annual.

EIGHTH GRADE

The eighth graders, who are no longer newcomers to F. H. S., are always gaining new knowledge as they travel up the scale to success. The eighth year in school is only one mark on that scale, but reaching the top is worth all the hard work alone to get there.

The eighth grade wishes to dedicate their portion of the annual to Sharon Vogel, their friend and classmate who passed away during this school year.
